

Congratulations to the following riders who have been offered a Victorian Team position for the 2023 Australian Interschool Championships, to be held at WPNEC from 28th September to Monday 2nd October.

Selected riders need to accept their positions. Those with multiple qualifications must nominate their two selected classes. This may be on two horses. There will be a published reserve list for consequential vacancies from the State Championships. Further team members will not be confirmed until the June when the VEIS series have been completed. The reserve list will be updated after the VEIS series finals when reserves are taken alternatively from VEIS and State Championships rankings.

Eventing Team riders will be announced after June 15th. Team combinations may only ride in Horse Trials but may ride another horse in a team position. The Victorian Team training weekend is scheduled for 12th & 13th August at WPNEC.

We would also like to Congratulate the riders on the Reserves' list.

Please note the following:

- Reserves following the State Championships are listed to include the riders who placed to 6th position at the State Championships, therefore if 4 team positions are allocated 2 reserves are named, if 2 team spots are filled 4 reserves are named.

Please be advised the procedure for the split divisions:

- Dressage-the Reserve list is based on placing in both divisions and the higher combined total % from both tests is the higher ranked reserve
- Combined Training Reserves list is based on placing and the first reserve will be taken from the division where a vacancy arises.
