

Summary of Business ISV Meeting 14th February 2023

Nan McArthur Award

Nan McArthur Award requires the recipients to achieve their best four scores in a minimum of two disciplines, in line with the award philosophy that the recipient is an all-round rider. Points for Preparatory dressage classes at State Championships will be included in the Nan McArthur Trophy

Additional National Classes

No EA interschool committee formed as yet. Confirmed classes at national championships can only be intermediate and senior of existing classes. Intermediate SJ 80 and CT 2* cannot be ratified in time. Current entrants notified and are able to change classes.

Question for the future: Should CT Intermediate and Senior be offered at some heights?

ISV State Champs

Entries for this year's event are good. There are 135 powered campsites available. The OC have a waitlist for powered camping capped at 65. All the current entries on the waitlist will be offered a powered campsite. The Stack Team App has been set up for competitors to share their camping and stables.

EV have made a JotForm for photographers to apply for media accreditation for the event. The event will have an online program with important information and sponsors. The Year 12s have been asked to send in a photo of them and their horse for the online program (ensuring they have photos with no copyright).

The Event Office will be in the small building at the end of the main offices. The OC are looking at paying dressage pencilers and showjumping ring marshals. Past interschool riders are encouraged to keep an eye out for this.

The OC may need some assistance in checking participation events. Warrnambool Agricultural Show was cancelled on the day so entrants who were there will be given participation. Boneo Combined Training on the 1st April will now be excepted as a participation event.

The exemption process to go through the EV Office. A panel of 3 will oversee the applications. The applications will need to include: name, horse, owner of horse, reason e.g. rider/horse injury, past support of Interschool events.

Request for inclusion of open Horse Trials to be participation events. The ISV Committee to review with criteria for potential implementation for 2024.

Departing Committee Members

Thanks to Amy Humphries and Fiona Barker who are standing down from Committee. EV to advertise and in ISV February email.
